## DETAILED ACTION

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

a. Amend Page 1, paragraph [01] of specification – *"This application is related to and claims priority from earlier filed provisional patent application No. 60/306,517, filed July 19, 2001 and is a continuation of US Patent Application No. 10/197,364, filed July 16, 2002, now US Patent No. 6,663,257."*

### ***Response to Amendment***

2. The examiner acknowledges that the applicant has amended claims 5, 6, 11 and 12. Claims 1-4, 7-10 & 13-19 remain unchanged, accordingly, claims **1-19** are pending in the application.

### ***Examiner's Statement of Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance:

The independent claims 1, 5, 11, and 17, recites a housing assembly for receiving or storing a secondary tool and including specific details of the housing having

Art Unit: 2885

a back end with a closure having a channel configured to slideably receiving the tool (e.g., removable), wherein the tool is in interfitting mated relation and retained.

Because none of the reference discloses the detailed structural combination of a case or housing assembly having both primary compartment and a secondary compartment or channel where secondary compartment or channel is configured to slideably receive the pocket-knife or removable tool in interfitting/mating-relation and/or the casing comprising a closure element removably coupled to the back end of the housing proving an open and close operation, nor is there any motivation to combine them, the claims are deemed patentable over the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
